Custom Shop Guitars

The following guarantee is offered for all new Nashguitars Custom Shop instruments: If you are not satisfied with your purchase, ship it back UPS insured, pre paid, postmarked within 5 days of receipt. I will refund the price of the guitar, less my shipping costs and a 10% restocking fee. Please call before shipping for a return authorization.

Note on Custom Orders:

Full refunds may not apply to custom features, such as logos, decals or other special features that add difficulty to reselling without change outs. Deductions for change outs on returned merchandise, to put the instrument back to "wide appeal" status, should be discussed and agreed to prior to purchasing.

This guarantee only applies to Nashguitars products and not to other manufacturer's items sold on ebay or from used inventory.
